

Material Objection

Criticism or request for reconsideration of library material should be presented to the Library Director in writing on the patron's request for reconsideration of library material on the "Material Objection" form.

- Board of Trustees and the Library Director will review the complaint.
- Finding will depend on the majority decision of that committee.

That decision will be based upon the merit of the work in question as a whole, not on excerpts from the work. Reviews, complexion of the community's taste and the popularity of the material will be considered.
